

JOB OFFER**PROJECT CHANGE COORDINATOR (M/F/D)**

FULL TIME / PROFESSIONAL EXPERIENCE

As Project Change Coordinator, you will support us in the industrialization of our series products. You will be primarily responsible for driving forward the optimization of our products, processes and structures after the start of series production. With your experience in product development or industrial engineering and your motivation to always strive for the optimum, you will fit perfectly into our team!

YOUR TASKS

- › Proactive advancement of product optimizations after start of production in close cooperation with the technical departments
- › Essential cooperation in the industrialization phase
- › Evaluation of processes and structures, identification of optimization potentials and implementation of suitable measures
- › Targeted use of methods such as value stream design, value analysis, cost-value-engineering, design-to-cost, etc.
- › Responsibility for accompanying, coordinating and monitoring the entire change process
- › Ensuring the exchange of information between all process participants

YOUR PROFILE

- › Completed technical education (HTL / FH / Uni) with focus on industrial engineering, electrical engineering, mechatronics or similar
- › Professional experience in the field of product development or industrial engineering
- › Experience in change management and manufacturing processes in the automotive environment
- › Business fluent in German and English
- › Distinct understanding of processes and strong communication skills
- › High level of comprehension, analytical skills and solution orientation

WE OFFER

- › Integration into an innovative and dynamic team consisting of experienced industry experts
- › Extensive career development opportunities in a strongly growing company
- › Value-oriented corporate culture, characterized by inventiveness and team spirit
- › Flat hierarchies and fast implementation of innovative ideas
- › Further Benefits: Flexible working hours, modern working environment, free parking with charging possibility for electric cars and a daily lunch menu

You are interested in taking on this challenging, exciting and responsible task and would like to progress your career? If so, we look forward to receiving your application.

The law requires that a minimum salary is stated in job advertisements and that is why we do this. The legal minimum salary for this position is € 47.000,00. How much you actually earn will be agreed with you individually and depends on your skills and commitment.
