PRODUCTION PLANNER (F/M/D)

FULL TIME / FIRST PROFESSIONAL EXPERIENCE

As production planner (f/m/d/) you are responsible for all steps of the preparation for production. Your primary goal is to ensure the optimal design of the processes. In addition, you are the central interface between our engineering, purchasing and production team. You are the right person for us if you are a team player (f/m/d), passionate about optimizing processes and if you want to fulfil your potential in a future-oriented company.

YOUR TASKS

- › You are responsible for scheduling as well as for the provision of materials, machines and personnel
- › You maintain production plans as well as parts lists and create relevant production documents
- › The further development of our work processes in the ERP system also falls within your area of responsibility
- › Furthermore, you are in charge of the continuous improvement and optimization of our production processes
- › You will cooperate with our sales, engineering, purchasing as well as the logistics department

YOUR PROFILE

- › Completed technical education (apprenticeship, technical college, HTL, etc.)
- › First professional experience, ideally in production planning
- › You have very good MS Office and basic ERP skills (abas is an advantage)
- › You have a distinctive understanding of processes and strong communication skills
- › Solution-oriented and analytical way of thinking, paired with a structured work style belong to your major strengths

WE OFFER

- › Extensive onboarding including buddy program and meet & greet with the managing directors
- › Agile, modern and dynamic working environment with a "you" culture and scope for developing own ideas
- › Flexible working hours and home office days by arrangement
- › Congestion-free travel and parking with free charging for e-cars
- › Coffee bar and canteen as well as a sunny (roof) terrace
- › Health@Kreisel: company doctor, fitness area, sports pool and much more

Interested? Then we look forward to receiving your application! The minimum salary for this position is €36,000.00 per year. How much you actually earn will be agreed with you individually and depends on your skills and experience.
