

JOB OFFER**QUALITY ASSURANCE TECHNICIAN (F/M/D)**

FULL TIME / PROFESSIONAL EXPERIENCE

At Kreisel, we offer you a flexible and dynamic environment in which your daily work is characterized by variety. For our motivated and successful quality assurance team we are looking for a new dedicated team member. Are you ready for your next career step?

YOUR TASKS

- › Planning and execution of production-accompanying spot checks (product audit)
- › Analysis of our semi-finished products and production processes
- › Identification and documentation of improvement possibilities
- › Participation in the further development of quality requirements in production
- › Support with daily tasks (e.g. incoming goods, outgoing goods, supplier complaints)

YOUR PROFILE

- › Completed training in the fields of electrics, mechatronics, automotive engineering, or similar (apprenticeship, HTL)
- › Experience in quality assurance and basic knowledge in mechanical engineering
- › Confident handling of MS-Office
- › You have a keen interest and understanding of product quality and production processes
- › You are a real team player and your way of working is structured as well as independently

WE OFFER

- › Extensive onboarding including buddy program and meet & greet with the managing directors
- › Agile, modern and dynamic working environment with a "you" culture and room for own ideas
- › Flexible working hours and home office days by arrangement
- › Congestion-free travel and parking with free charging for e-cars
- › Coffee bar and canteen as well as a sunny (roof) terrace
- › Health@Kreisel: company doctor, fitness area, sports pool and much more

Interested? Then we look forward to receiving your application! The minimum salary for this position is € 39.200,00 per year. How much you actually earn will be agreed with you individually and depends on your skills and experience.
