

JOB OFFER

HEAD OF SOFTWARE ENGINEERING (F/M/D)

FULL TIME / PROFESSIONAL EXPERIENCE

Software engineering is your passion, and you see the big picture to advance battery technology in the long term? In addition, your strength lies in inspiring teams, you encourage and challenge in a goal-oriented manner and help them to grow beyond their own limits? Perfect! We are looking forward to welcoming you as Head of Software Engineering.

YOUR TASKS

- › Technical, operational and disciplinary leadership of the software engineering team as well as shaping the further team development
- › Professional and personal development of the team
- › Resource planning in coordination with the project managers
- › Definition of software requirements as well as optimization of planning and reporting processes
- › Ensuring the quality, operational reliability and qualified support of the software
- › Interface to other departments

YOUR PROFILE

- › Completed education (HTL / FH / Uni) in the fields of (embedded) software engineering, computer science or similar
- › Leadership experience as well as experience in the development of embedded software solutions (e.g. C/C++; Matlab/Simulink), ideally in the automotive environment
- › Preferably experience in safety-related software development as well as basic knowledge in signal and data processing
- › Business fluent in German and English
- › You have leadership skills and an entrepreneurial, forward-looking mindset
- › You are characterized by your solution-oriented personality, your assertiveness and your team spirit

WE OFFER

- › Extensive onboarding including buddy program and meet & greet with the managing directors
- › Agile, modern and dynamic working environment with a "you" culture and room for own ideas
- › Flexible working hours and home office days by arrangement
- › Congestion-free travel and parking with free charging for e-cars
- › Coffee bar and canteen as well as a sunny (roof) terrace
- › Health@Kreisel: company doctor, fitness area, sports pool and much more

Interested? Then we look forward to receiving your application! The minimum salary for this position is € 65.000,00 per year. How much you actually earn will be agreed with you individually and depends on your skills and experience.
